

Animoto is a web application that automatically generates professionally produced animated videos with high-end motion, music, and/or narration. Each video is a fully customized orchestration of user-selected images and music.

Produced on a widescreen format, Animoto videos have the visual energy of a music video and the emotional impact of a movie trailer.

1. Go to: <http://animoto.com> for a personal account
2. Login and click “Create Video”
3. Choose Animoto short 30-second video (free)
4. Get Images – Select from their collection for now (choose your own when you’re at home).
5. Upload now (Hold down ‘ctrl’ key to select multiple images). Choose ‘done.’
6. Now select Music - select from their collection for now (or your own at home)
7. Listen to various songs and then “select”
8. Click ‘continue’ and fill in the ‘credits’
9. Now - create video – BE PATIENT WHILE IT RENDERS
10. Once your video has rendered, you can post it online, embed it in a blog, share it with friends, export it to youtube, remix it, etc.
11. All videos you create will stay stored in your account for retrieval when you log back in.
